INTRODUCING AN INTERNATIONAL LEADERSHIP EXCHANGE

In an effort to expose our community to a global stage we have created the International Leadership Exchange (ILE). The Student Life suite of programs, in partnership with the Office of Global Affairs, have created an exciting opportunity for our students to engage in a 3-day leadership experience abroad. 

ILE will allow students to travel to a different country, during the summer, to work alongside local people and organizations to build cultural understanding and abilities. This hands-on approach will allow our students to experience the world through the eyes of those who call it home.

Students interested in the International Leadership Exchange are encouraged to apply. For more information on this program, please contact the office of Student Life at 973-353-5063.

THE LENS EXPERIENTIAL AND STAFF COLLABORATION

In an effort to provide our community with a resource that is inclusive of all voices we have created the Lens Experience. The Lens Experience is a collective of individuals who aim to provide a platform for and about students. We value student voices and believe that students have the power to shape their communities. The Lens Experience has partnered with the office of Student Life and the Office of Community Engagement to provide opportunities for students to engage with the campus community.

Students interested in the Lens Experience are encouraged to apply. For more information on this program, please contact the office of Student Life at 973-353-5063.
